### **Cardinals of Leadership**

- Never do anything without checking with your mentor
- Never pass negative comments
- Never destroy other's relationship
- Never play with anybody's finance
- Never play with anybody's ego

### **Litmus Test**

Whether you are enjoying entrepreneurship or not can be judged by answering few questions

- Does the change in the offering excite you?
- Is that you strongly like or dislike people?
- Do you have your strong set of favorites at work place?

If the answer to the first 2 questions is negative and the last question is an affirmative then you may not be completely enjoy your entrepreneurship

Employee Mindset	Entrepreneur mindset
In ability to see the unseen	Ability to seen
Expect immediate gratification	Delayed gratification is FINE
Low risk or No risk taking ability	High risk taking ability
Can work only in structured environment	Ability to work in indefinite , complex environment
