

The whole world is scared of China made "black hearted goods" **especially ever buy it for your own health...**

Can you differentiate which one is made in China or Taiwan ?

Lemme tell u ... the first 3 digits of bar code 690, 691 and 692 is made in China, 471 is Made in Taiwan...

Nowadays, Chinese businessmen know the consumers do not prefer products "made in china", so they won't show made from which country. This is a human right to know, but the government and related department never educate the public, therefore we have to rescue ourselves.

With more and more milk products from China and Taiwan having problem. We really got to check where the things are produced. Here is a way to differentiate Taiwan made products and China made products : by looking at first three digits of its Bar Code.

If the 1st 3 digits are 690, 691 or 692 - China made
If the 1st 3 digits are 471 - Taiwan made

So please spread the words to everyone.....

Have a healthy life... :-)

Cheers...
